ESTEEMED PATRON: Again I have the pleasure of submitting to your kind attention my DECORATIVE EVERGREENS, which are unrivalled for Holiday use, and again hope to have the opportunity of serving you. The Christmas Holidays are approaching; doubtless you will wish to show your affection for friends by the presentation of suitable tokens, and these beautiful treasures of nature are always acceptable and highly appreciated.

My goods are positively the finest and most carefully selected to be had, and my method of packing is the best, insuring arrival in perfect condition to all parts. They are not expensive and produce lasting results, both unique and beautiful.

The handsomest, cheapest and most effective Crosses, Anchors, Wreaths and all Fine Designs are now made up with these rare and inexpensive Evergreens. They are especially recommended as matchless home decorations, as they keep indefinitely in a vase of water, even in warm rooms, because of their thick leathery texture, and yet being graceful and retaining their original vivid colors.
